# Dedication

We, the 1968 Senior Class of Mulhall High School, would like to dedicate this 1967-68 PIRATE to our parents. We know they deserve this honor because without them, we would never be in our last year of school. They have given us the gentle pushes when they were needed. We thank them for their encouragement and support and wish to give them all of our love and appreciation.

# SENIORS

# 1967 Seniors Visit Galveston

In November, 1966, the Seniors presented their class play, "Aunt Tillie Goes to Town."

During the winter months of November, December, and January, they worked very hard in their concession stand at the basketball games. This was a major money making project to finance the Senior trip they were planning for in the spring.

Other money making projects were a paper drive, a junk auction, and assisting with the annual school census.

In early May they were honored at a banquet given by the Juniors. The theme for the banquet was "Kismet."

The Seniors spent the latter part of May touring Texas.

Class officers for the year were: Don Harman, President; Charles McAnally, Vice-President; Sharon Vories, Secretary; Karla Johnson, Treasurer; Judy Gallaway, Reporter; Mrs. Arthenia Haney, Sponsor.

# 1968 Seniors Edit Last MHS Annual

In early September, 1967, the Seniors worked hard at the fair where they had the bingo stand, the concession stand, and raffled off a lamb skin rug.

The basketball season in November, December, and January was busier than ever with the Seniors working hard at the concession stand.

The publication of the last Mulhall High School Annual was placed in the hands of the 1968 Seniors.

These money making projects, along with candy bar sales and paper drives, were to help finance a Senior trip in May.

Class officers for this year were: Wayne Hopfer, President; Dennis Bussard, Vice-President; Celine Towle, Secretary; Cathy Miller, Treasurer; Sponsor, Mrs. June Duncan.

Dear Reader

After many hours of hard work we, the Senior Class Annual Staff, are happy to present to you THE 1968 PIRATE.

We would like to express our appreciation to everyone who helped make the publication of this annual possible, especially to our sponsor, Mrs. Duncan, without whose help there would have been no annual.

We hope that this PIRATE will always bring back pleasant memories of your school days at Mulhall and will be treasured forever.
